RE: South Carolina Electric & Gas Company Construction

Dear Mr. Terreni:

In accordance with PSC Regulation 103-412 (2.7) (S.C. Code of Laws Ann. 1976). South Carolina Electric & Gas Company (SCE&G) hereby notifies the Public Service Commission of South Carolina (PSC) of its construction plans. The projected costs for this construction project exceed one million dollars.

SCE&G plans to commence construction of an eight inch high pressure gas line near Sumter, SC. This new fifteen mile line will be located on an existing gas line R/W and will replace a four inch gas line currently in service. SCE&G plans to commence construction around October 2006 with completion in March 2007.

Should you have any questions regarding this matter, please do not hesitate to contact me. Thank you for your attention to this matter.

With kind regards,

Patricia Morrison
